"Today's Kids, Tomorrow's Leaders"

**"Buy a Luggage Tag & Send a Child to Camp"**

Memories that have been shared by campers are simple expressions that make us smile. Here's what campers have to say!

- "The stars are so big at camp, they seem close to me." Ethan, 13*
- "I like to eat the good food at camp." Amanda, 9*
- "It's so quiet at night. I can hear the wind." Ryan, 12*
- "Doing skits with other kids is like being in a little show." Ilyssa, 10*
- "I try to remember every song from camp." Andrew, 11*
- "I hope I can come to camp again next summer." Stephanie, 11*

Summer is fast approaching and Camp Fire kids throughout our communities are hoping they can go to camp. Spending time in the "great outdoors" provides a respect for nature, builds new confidence and creates life-long memories of adventure, self-reliance, friendship and fun.

**Help wanted!** You can help kids have opportunities of a lifetime by making a generous donation to Camp Fire's Luggage Tag Campership Fund.

**A "Red Tag" donation of \$425** will send one child to Camp Nawakwa for a full week of action-packed, fun filled adventure with activities like archery, wall climbing, canoeing, hiking, swimming, and more.

**A "Blue Tag" donation of \$200** will allow one girl to enjoy a weekend of arts & crafts, outdoor sports, science, nature, daily themes, music, drama and more at Camp Miss Independent at a Camp Nawakwa.

More and more kids in our community require some assistance towards their camp fees. Please help us send a child to camp.

We know that the camping experience is foundational to youth development, as it reminds us, **"The first fire we light is the fire within."** Quote from Dr. Luther Gulick, who founded Camp Fire with his wife Charlotte.
